

March/April Highlights

Spring is on the way and so is Spring Break! This year Dino-Mites will be closed on Monday, March 16th and will reopen on Monday, March 30th.

We would like to introduce you to our new team member, Tessa Tasaka. Tessa is now officially joining our Dino-Mites team on Monday, Wednesday and Friday. We are very excited to have Miss Tessa join our team, we know she will be a huge asset to our Dino-Mites family.

We are very excited to announce that we have a couple field trips planned for April and May. We are waiting on confirmation and will send out more information as soon as our plans are finalized.

The children are enjoying our "show and tell". This is a great opportunity for them to speak in front of their friends and for the "audience" to actively listen and ask appropriate questions.

Here are some of the ideas that we'll be exploring:

- **Easter**
- **Spring – Planting and Farms**
- **Health**

A big thank you to all the families that have registered for September 2020, our spots are quickly filling up. Our public registration begins on Monday, March 9th, please do not hesitate to pass on our information to family and friends, it is very much appreciated.

Please note that Dino-Mites will be closed for the Easter long weekend, which includes Friday, April 10th and Monday, April 13th. We will be open to play on Tuesday, April 11th.
