

Hello Everyone and Welcome to Dino-Mites Preschool,

We are looking forward to working with your children to guide them in building new friendships and becoming confident and happy in their preschool experience. Here are a few reminders for the first week of school:

- **All post-dated cheques are due the first day of class.** Please bring with you 9 post-dated cheques made payable to Dino-Mites Preschool for the 1st of each month beginning with October 1, 2020 and ending with June 1, 2021. Fees for 5 days - \$400, fees for 3 days - \$245 and fees for 2 days - \$165.
- Please bring with you your completed registration forms.
- Please sign your child in/out each time you come to Dino-Mites. There will be a sign in/out book located at the entrance to the preschool. If someone other than yourself is picking up your child, please let a teacher know and leave a note on the designated board.
- Beginning Wednesday, September 16th, please pack a small, healthy snack (WE ARE A NUT/PEANUT FREE ZONE) and a cup for water or a water bottle.
- As we intend to go outside each day please be mindful that the children come prepared for any weather. Accidents happen, please keep an extra set of clothes in your child's backpack.
- We recognize that children will adjust differently to this new experience. We will work with families to ensure that this process is as smooth as possible for both you and your child. Therefore, the first week of the program is designed to gradually acclimate the children and families to the daily routines, new classmates and teachers.
